

2025

Summer Concert Series

This will be the fifth year for P@TP Concert Series. Our concert venue is located on the beautiful 18-hole Whispering Pines golf course next to the Meadville Airport. Our concert schedule starts the Friday June 13th and finishes Saturday August 30th of Labor Day Weekend.

The 7 concerts this year consist traditionally of rock tribute bands from the 70s through the 90s, but this year we have expanded our lineup to include country and pop music! Concerts are held rain or shine. Several seating options are available and advanced ticket sales can be purchased online. We have a great variety of food vendors available for your enjoyment along with 2 fully stocked bars with your favorite beverages.

Our concerts draw thousands of music lovers, so we encourage you to arrive early. Each concert will feature a local musician to get things started, an opening act and a main headliner (or 2 co-headliners), plus an amazing firework show!
